Novellesamlingen *Grand Mal*, som udkom i Sverige i 2011, er Linda Boström Knausgård's første prosabog. I åbningsnovellen præsenterer en kvindestemme sin familie, der sidder omkring spisebordet en tidlig morgenstund, og hun henvender sig til en ubestemmelig og truende magt, som synes at befinde sig uden for dette fortættede og kærlige rum, og beder det om at lade familien i fred. I den følgende novelle møder en ung pige den forheksede Hvidbjørn kong Valemon, som er bjørn om dagen og mand om natten. Samlingen afsluttes på samme måde som den startede, med en kvindes direkte tale, denne gang til en datter. Der er stort spænd i denne bog, som består af 20 noveller, og de rækker vidt både i tid og temaer: Barndommens farlige leg, grænsen mellem virkelighed og fantasi, ungdommens udsathed, lystens overvældende kraft, kærlighedens og omsorgens prøvelser – og det hele er varetaget og formidlet med den største nænsomhed.
