In determining 'justice' Rawls uses the social contract theory, utilitarianism, theological explanations, and other interpretations. His theory of justice as fairness describes a society of free citizens holding equal basic rights and cooperating within an egalitarian economic system. Il est le deuxième des cinq enfants de William Lee Rawls et ... John Rawls (21 de febrero de 1921, Baltimore, Estados Unidos - 24 de noviembre de 2002, Lexington, Massachusetts, Estados Unidos) fue un filósofo estadounidense, profesor de filosofía política en la Universidad Harvard y autor de Teoría de la justicia (), Liberalismo político (), The Law of Peoples y Justice as Fairness: A Restatement (). Inc. As presented in A Theory of Justice (1971), Rawls's concept of 'justice as fairness' offers a non-historical or hypothetical variation on the social contract theory, in which rational agents make social decisions from behind a 'veil of ignorance' that prevents.
